Three Wise Monkeys – Horror – Spain – PG-13

Director: Migual Angel Font

The Three Wise Monkeys represent the will to see no evil, hear no evil and speak no evil. Rather difficult when it lurks behind every corner. An ambiguous lesson that Zoe will learn the hard way after receiving a sculpture that represents the three monkeys... Summon your wild side!

8:01pm

Don't Let Them In – Horror – USA – PG-13

Director: David Lawrence

Dan Metzger, a struggling author, consumed with the urban legend of the Black Eyed Kids, fears his obsession has led their evil to his door.

8:15pm

The Dark Tapes – Horror Feature – USA – PG-13

Director: Michael McQuown

A genre-defying mixture of horror, sci-fi, myth, mystery and thrills told as four interlocking tales in one intelligent, original anthology. The movie stars an up and coming ensemble group of actors such as Brittany Underwood (TV star of Hollywood Heights, One Life To Live & Youthful Daze), Cortney Palm (Sushi Girl, Zombeavers) and Emilia Ares Zoryan (Amazon's Bosch: Season 2). Ghosts, spirits, creatures, demons and more from the paranormal world collide with rational curiosity. Could the supernatural exist in our everyday lives and have a plausible, scientific basis? The Dark Tapes explores this and more with surprising, sometimes shocking results that will leave you questioning what could be real.
